What exactly happens? Think Amazing Race...!!!

- All teams will begin at Gaston College – Lincoln Campus, 511 South Aspen Street, Lincolnton NC. PLEASE NOTE: Gaston College is NOT our Finish Line location. Participants are welcome to meet their team of 4 at Gaston, as you will pass back by on your way to the Finish Line.
- Upon arrival, teams will be assigned their **team name**, and event **instructions**.
- All teams begin the race at the same time, with the first challenge beginning at Gaston College.
- **Teams will then use the clues received to locate their next RR2E STOP.** *Each team will travel a different path – do not follow others!!!* Teams are encouraged to complete each stop along their map - and choose whether to gain added points with trivia challenges.
- When teams arrive at the **SECRET FINISH LINE**, their race cards will be collected. Once all teams cross the finish line and challenges plus trivia results are tallied, the winners will be determined and prizes awarded!

How does a team win? Teams have two ways to win the ROTARY RACE TO EDUCATE:

1- Teams who complete ALL challenges at stops quickest and make it to the finish line first will be sitting in a good position to win the Rotary Race to Educate.

2- Teams are encouraged to correctly complete their trivia questions to receive additional points. Trivia plus challenges may be the best route to win!
